Did You Know?...

Lakehouse is a proud member of NH's Common Man Family. We opened our first restaurant, Common Man Ashland, in 1971.

Since then we've set some standards in these parts and we'd like to share some facts with you while you dine with us...

About our staff - Our staff, our most valuable asset, has the longest average tenure of any restaurant group in N.H.! They're the best there is.

All of our Chefs and Management are "Serve Safe" certified by the National Restaurant Association. We use latex-free gloves in food preparation.

Oh Yes! The State of N.H. has enjoined us to hold 9% from you, for them. What can we say?

Crowd Control - When there are lots of you, 6 or more, we discourage separate checks to provide you with faster, better service.
